EXPERIENCE

HOSPITAL INTERFACE DESIGN, AKADEMISKA SJUKHUSET

Uppsala, Sweden | 2015

Oversaw a team to research and design a critical hospital trauma ward interface that keeps staff informed of patient conditions. As part of a master's degree project, the design won approval of key staff members - surgeons, nurses and other specialists.

WEBSITE USABILITY EVALUATION, UPPSALA KOMMUN

Uppsala, Sweden | 2015

Integral part of a team to evaluate a regional government website through heuristic evaluation and deep data analysis. Structured a finding & recommendation report which was implemented in later website beta versions.

PROJECT MANAGER, INDEPENDENCE CARE SYSTEM

New York City, USA | 2012 - 2014

Fastest promotion track record in department history. In charge of software research, testing and implementation for 400+ users. Successful deployment of major projects - Axway MailGate email security, Symantec Endpoint Protection SecureID. Oversaw three interns.

GRAPHIC DESIGN, MASLOV JEWELS

New York City, USA | 2010 - 2012

Directed complete overhaul of company website to drive sales up 15% in 4 months. Solely responsible for all graphics and product imagery.

ACTIVITIES

EVENT ORGANIZATION, TEDx UPPSALA UNIVERSITY

Uppsala, Sweden | 2015 - present

Secured 14 000 € in funding. Successfully established ongoing sponsorships - regional government support, professional marketing service and printing needs. Initiated further event growth through relationships.

PROFESSIONAL SWIMMER, INTERNATIONAL

Croatian United States | 1996 - 2013

Highly decorated professional athlete. Multiple national and international medals, recipient of Division 1 USA full scholarship (\$120 000 total). Individual Croatian champion, USA East Coast men's relay champion.
